Alright another Rant I was searching Some Horrorcore forums today and noticed, That There Is this new Fad Going on and a topic was brought up about it "Hate God Music", "Anti-Christ Music" Where Did it Come Into The Genre That This Was A Cool Thing? What The Hell Happened To Horrorcore Music? Horrorcore is/was a Music Based Around Freaky, Scary, Horrific (Movie Like Events) That's What This Genre Is a Lyrical Horror Movie. At Least That's Mine And A Lot Of Others Opinions are. Ya You hear Shit About Satan/The Devil, and Death But That Shit Comes About In Movies For Suspense. But, Why Don't These Fucks Go Join Them and There Fuckin Cult and Start Anti-ChristCore Music Or Some Shit. Stay The Fuck Out Of Our Respectable Genre of Music And Stay The Fuck Out Our Promotion Zone And Start Your Own!

Stay Sikk
