First I'd Like To Rant About Some Shit Goin Down In The Horrorcore Underground Today. Some Fuckin' Rappers Out And There Actions Disgust Me! Let Me Start With Back In 1999 When Horrorcore Was Sprouting Into The World With A Vengeance. Motha Fuckas Like Dkaid, Trouble313, Grewsum, And A Few Others Back Then Showed They Respect To Us Rappers Tryin To Bust Up Through The Crust Of This Grimey Undaground. Free Callobs, Post Ya Track Up For Promotion anything They Could Do For A Fellow Artist/Fan Because They Had Respect For What We Were Tryin To Do! Now Motha Fuckas Think Just Because They Rapped For 4-8 Years And Has Generated 1,000 more Play Within That Time On They Motha Fuckin Myspace Or Soundclick, Now They Think There Fuckin Twiztid or shit, Come The Fuck On You Know Who The Fuck You Are, Cuz You A Bitch Who Thinks They Big Time In The Industry You Got Shows, And A Few Albums Shit Bitch So Do I. But You Don't See Me Playin Off Like I'm Big Shit Because I Have Respect For My Fellow Artists That Are Tryin To Get Respect Back. Don't fuckin charge for someone who respects you and your style. That's Why there Is serial Sikk Records Because where Real

Stay Sikk
